

ROARING NEWS

January 29, 2010

PTF FUN-RAISERS

While we've had our "big" fun-raiser for the year in the jog-a-thon, several of the smaller ones run in February.

BOX TOPS :: Clip and save those little pink and blue squares. Turn them in no later than the 23rd!

LABELS FOR EDUCATION
They're not only on Campbell's soups but also Goldfish, V-8 (save the caps), Pepperidge Farms, and more. Submit your collection by the 26th!

Reflections:

The first month of 2010 is almost over - new month, new year, new decade (depending on who you talk to) and Legacy is right on track to finish this year well. I give many thanks and blessings to all for making Legacy a school where we teach academic excellence, Biblical worldview, and Christian character to help in training up the next generation of leaders. Whether it is the time you spend with your children helping them on their school work, donating your time volunteering in our classrooms or outside of school for a variety of needs, giving resources where needed, or working in the community spreading the good news about Legacy, you are much appreciated. As we press on toward the goal to fulfill our vision in the Reno/Sparks community, there is still much to be accomplished. So remember us in prayer and stay involved; there is a purpose you are here "for such a time as this" (Esther 4:14b). Legacy's future is directed by God using each one of us to help impact our lives, our community, and our world.

Blessings,

Gail Kovach
