See you there!

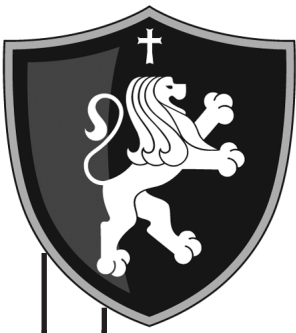

Reflections:

Spring is in the air: more sunshine, longer days, science fair, and planning for the next year - a lot is happening in the next couple of months. Legacy is moving forward. Next week we are opening our doors to prospective new families in our community at our open house from 4:00 pm to 6:30 pm. I encourage you to invite anyone who may be interested in a private school setting offering small class size, academic excellence, and character building opportunities. After the open house our doors will remain open for parents and families to come view the science fair in the fellowship hall from 6:30 pm until 8:00 pm. Our top two participants in each grade will be entered into the Regional Science Fair at Lawlor Event Center toward the end of March.

Coming up March 16 at the 6 pm CLEA Board meeting, the CLEA membership (that's you!) will be voting to approve next year's budget. Please mark your calendars and plan to attend. It's a great time to see how the school is doing and what we are planning for the next school year. In April, we will be selling tickets for another Legacy raffle with great prizes. This is just a sampling of activities and events we have planned for the spring semester. So please, get involved - talk to people about the school, come to the Board meetings, sell raffle tickets, volunteer - take your strengths and talents and help us and your children make a difference in our community!

Blessings,
Gail Kovach

CALLING ALL

Clip them all and send them in on Monday! The class with the HIGHEST AVERAGE PER STUDENT will get an ICE CREAM PARTY courtesy of the PTF!

HELP!

If you still need P3 hours, help count and sort Box Tops and Campbell's Labels ... and earn about 2 hours! We need another 3 families to help. Contact Kristen at kashworth@summitnv.org. Pick them up Monday and return by Thursday to be sent in before the deadline.

NOW SERVING . . .

The best read in town! The Spring Book Fair is March 1-5. Still need P3 hours? Contact Rashelle at lrtheis5@gmail.com to see how you can help.
