

ROARING NEWS

May 28, 2010

End-of-the-Year Picnic RSVPs due June 2!

Reflections

The end of the school year is only a week and a half away. Everyone is busily finishing up units and putting grades into the system, several field trips are planned, continuation ceremonies are scheduled, and we are looking forward to the picnic on the last day of school. Then our teachers will be packing up their classrooms and moving things into storage for the summer. Things slow down over the summer, but there is a lot of work that takes place behind the scenes to prepare for the new school year. One item we want to get done early is ordering next year's curriculum, but that is based on the number of paid registration packets turned in.

Encourage your friends to check out our website or schedule a tour. Also, if you have not already turned it in, **please turn in your registration packet as soon as you can!** If you have multiple children in the school paying one registration (\$430.00) will hold the spot for all your children and you may pay the remainder registration(s) before school starts. Some of our classes are filling up and paying the registration holds your child's spot.

We are excited and looking forward to a fantastic school year in 2010-2011. All of our teachers have agreed to come back next year - but we have to have enrollment numbers to finalize staffing decisions. We have made some staffing changes with Mr. Ryan teaching 5th grade and Mrs. Stone moving to middle school next year. Both have Master's degrees and carry endorsements in the areas they will be teaching.

Also, we will be in the midst of reaccreditation with ACSI and will be forming several committees which include staff, board members and parents. Please prayerfully consider being involved. As this school year is coming to a close and the next is just around the corner, keep us in prayer, join in the work and watch the Lord move through Legacy to impact our community.

Blessings,
Gail Kovach
