Ms. Briana Hicks became the first student to be awarded "The Order Of The Lion." She received a scroll and the mounted **Blue Knight** statue for her chivalrous act of kindness of comforting an injured classmate. Briana's words of comfort and encouragement to her suffering classmate echoed her physical action of holding a hand and patting a shoulder. Briana has captured the "act of chivalry" in her heart and mirrors for us the following words of Christ, "You shall love your neighbor as yourself."

"Great job Briana! I am honored to serve students like you. I look forward to seeing how God is going to equip you and use you in the future." **Mr. Shankles—Administrator**

Thank you for supporting our school and fundraising efforts for the playground renovation!!!

TableTalk

On Tuesday, the 27th of September, we will gather on the school campus to discuss Doug Wilson's foundational book on Christian Education, "Recovering The Lost Tools Of Learning." Even if you have not read the book, please come to the event. The wisdom articulated in this book will give you ammunition to share with your neighbors and friends on why their children should be at Legacy.

Middle School Language Arts

Aargh mateys! We started the week with pirate idioms and the history of the Jolly Roger. Who knew that there were so many different versions of that flag and that each carried its own message! From there, students each created a modern redesign of that familiar flag with some brand new messages. Later in the week found middle schoolers singing "Happy Birthday" to the ice cream cone. In between, all was the usual of delving into some great literature, reacquainting ourselves with how the English language works, and doing lots of writing on various topics. **Mrs. A.**

"Every time you speak to your child regarding discipline, you have the opportunity to remind them of God's standard for our behavior."

"Since God is Lord over all creation, nothing is truly intelligible to men unless it is understood in reference to God. God is the ultimate reality from whom every existing thing is derived, and that every existing thing testifies to His character."

"Whatever might rightly be called an education must teach the Lordship of Christ. Any subject treated apart from Christ fails to meet the basic goal of education: to impart knowledge. Apart from Christ there is no education, for without Him knowledge is impossible." **Quotes from *Repairing the Ruins* by Douglas Wilson**

"The conclusion, when all has been heard, is: fear God and keep His commandments, because this applies to every person."
Ecclesiastes 12:13
