- Ex** = out of

Total Books Read = 1,788
Goal = 7,000

Ways To Support Legacy

ROARING NEWS

The Knights Code of Chivalry & the Vows of Knighthood

So far in our discussions describing the Code many Knights followed, we have addressed that Knights were to *“obey those placed in authority”* and that *“at all times they were to speak the truth.”* In this issue we want to turn to the tenet of *“persevering to the end in any enterprise begun.”*

To the Knight, this simply meant that no matter the task given to them by their King, they would accomplish their mission or sacrifice their life in the effort. I’m not asking for our students to sacrifice their life to achieve their education. I am asking our students to do their very best on every task their Teacher assigns them. I am asking them to not quit when frustration strikes. I am asking them to take responsibility for their learning. I am asking them to humbly accept the praise and honorably accept the correction. I am asking them to be accountable for their own actions and compassionate and forgiving for those around them. I am asking them to do more than the minimum to get by. I’m asking them to strive for excellence.

Just like the Knights of ancient times, we are called by our Lord and Savior to persevere through this journey of life by serving Him and those we encounter while knowing that our true reward is what awaits us in His presence. The following words from Hebrews 10:36 gives us strength and reminds us of what will be, *“For you have need of endurance, so that when you have done the will of God, you may receive what was promised.”*

**Remember to set your clocks back this weekend!!!
Otherwise, they will be drinking coffee with Mr. Shankles.**

I just wanted to take a few moments to thank everyone for the success of last Tuesday’s spaghetti dinner and CLEA Board Meeting. Sheri and her helpers from the PTF provided a great dinner served with smiles. I also want to thank the CLEA Board for their clarity and unity. Finally, I want to thank the LCS community for coming out to hear the presentation and the planned action steps being taken while coming up with a few fund raising ideas of their own. I encourage them to pursue those ideas and if I can be of any assistance, please come by and see me.

I want to share with you a few of my visional thoughts for Legacy Christian School. Consider the following possibilities: Pre-School through 12th grade student body; our own land and building with athletic fields; Latin being taught from 3rd grade through 12th grade; French, German, Greek, and Hebrew being offered at the High School level; area churches adopting us as a ‘mission project’ or creating scholarships within their worshipping community to send their children to LCS; yearly class and school service projects for the Reno/Sparks community; a raise for Mrs. Z; distinct school uniforms; 300–500 student population; and all of this with no debt!

As believers, we are called to be people of vision. A vision that drives us to serve and share with those around us. A vision that sustains us through all the trials and tribulations of an earthly life. A vision of where we are going to spend eternity.

So, I challenge you to seek God and discern what part of the Legacy vision He wants you to be involved in. It will take a “vision”-seeking and action-taking community to build Legacy Christian School. May we seek His mercy and His guidance as we go forth in educating the Christian Leaders of tomorrow. (Mr. Shankles)

Notice: On the 1st of November, we no longer utilized a phone answering service to screen our incoming calls. Regardless of which number you use to call LCS, they will now ring straight through to the Administrative Office. Please have patience with Karen and I as we adjust to this new work requirement.

Order Of The Lion

Arthur Allegretti became the newest inductee into Legacy Christian School's "Order Of The Lion." Arthur received this honor by exhibiting an attitude of service to those around him. He is a great help to Mr. Shankles in keeping the playground picked up. Arthur, keep displaying that service attitude, God may be using you to set the example for the LCS student body and staff to emulate.

"The problem of American education is not to secure adequate financing, it is to set up a system of schools good enough to be worth financing."

"As educators, we are involved with the lives of our students. The beliefs we have about man and his purpose on earth influence our decisions about the "what" and the "how" of our teaching."

Frank Gaebelein in *Christian Education In A Democracy*

Prayer Reminders for the Legacy Family:

1. Students— respect and compassion for one another
2. Teachers— protection & comfort
3. LCS— service to God
4. Reno/Sparks—movement of God
5. CLEA Board— wisdom
6. Financial health

Reminder: If you are taking advantage of our Before/After Care program, please remember to sign your child out. If the student is not signed out properly, you may be charged for an entire session of care.

Week of November 7 - 11 2011
