Reflections

Thanks to everyone who put in time over the summer working with the Vision Group to rework our Vision and Mission Statements. The board worked hard on combining the ideas into a vision we can share with others and adopted the revisions on September 29, 2009:

VISION STATEMENT

CLEA's Legacy: Passionate, Christ-centered leaders equipped to impact their homes, their communities, and the world.

MISSION STATEMENT

We accomplish our vision with purpose through our family of schools, including our flagship, Legacy Christian School:

- Pursuing excellence in education in an atmosphere of positive, loving support of every child.
- Instilling a biblical worldview into every child who comes through our doors.
- Nurturing a Bible-based character that will affect every area of the future leader's life.
- Fostering a culture of reciprocal relationships between families and the broader CLEA family.
- Partnering with the community to equip our future leaders.

Legacy has a bright future as we fulfill God's purpose for CLEA in individuals, the community, and the world. As we look forward we are preparing to receive training in grant writing and fundraising, looking for major donors to join us in fulfilling the vision, providing extracurricular activities to build Christian character in our students, but above all - honoring God first; for His faithfulness and guidance has given us a renewed vision for the future.

Blessings,
Mrs. Kovach
