WELCOME  
BACK  
Legacy  
Lions!

## *Reflections*

Summer break is three weeks behind us and Legacy is settling into the new school year's routine. We have started the year on a positive note infused with God's love and energy to fulfill His purpose here, through the staff, families and everyone else associated with the school.

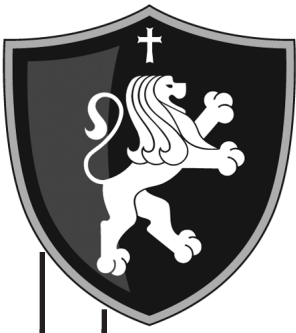

On September 10 we took our first field trip with 1st through 8th grades to Rancho San Raphael to launch tissue paper balloons. They visually applied learning in the classrooms on air pressure, temperature, and gravity to field testing their balloons. It was a gorgeous day, our balloons flew high, and everyone had a great time. Middle school also enjoyed helping 2nd and 3rd grades build their class balloons - we plan on collaborating on more projects in the future with the elementary classes.

Back-to-school night was a great success - thanks to all who participated. It was a time to meet the school board members and staff, visit the classrooms, talk with the teachers, and enjoy fellowship and refreshments. Several afterschool programs in the planning stages were mentioned: Beginning in October on Friday afternoons we plan on starting a Royal Ranger program (similar to scouting, but with a Biblical emphasis), open to both boys (K - 8th) and girls (K - 2nd grade); starting up the sports program for 4th through 8th grades; chess club; school garden club (probably in spring).

I would like to say we have a great staff, wonderful parents, and a school full of blessings in our children that attend here. If you have any questions or concerns, please feel free to contact me.

Blessings,  
Gail Kovach
