

Dear Families,

Welcome to Kindergarten! Kindergarten is such a special year of growth and discovery. I'm looking forward to meeting you and your kindergartener this year!

A week before school begins I will be calling you to set up a time for me to meet with your child before our first day of school on Wednesday, September 1st. On either Monday or Tuesday of the first week of school, I will meet with each student for about 30 minutes. This time allows me to get to know your child and what your child is coming into Kindergarten knowing.

Don't be alarmed! This is not an entrance exam. However, gathering this information before school begins will help show you and me their growth throughout the year.

I'm looking forward to a great year ahead.

Lots of love already,

Mrs. Mapa
